TOPIC: WHO LOVES CHRIST?

BY: REV. KYOBE ALEX

John 14:15 “If you love me obey my commandments.” A Christian can' claim to love Christ if they do spare time to listen to scriptures. Listening is one but obedience moves hand in hand with putting into practice. Those who love Christ, listen to and do what He commands them.

John 14:21, “Those who accept my commandments and obey them are the ones who love me. And because they love me, my father will love them. And I will love them and reveal myself to each of them.” The father will only love us if we love Him, which is through a covenant with Him (John 1:12, Romans 10: 9-10). He will then be in our lives and His work will then manifest in us.
John 14:23, “Jesus replied, all who love me will do what I say. My father will love them and will come and make our home with each of them”

Though together as a family of believers, God will always reach out to us individually. Though individually reached, benefits will yield to the whole church of God. It is thus important to have a special and close relationship with Christ if we are to show our love for Him. All is possible because of Philipians 4:13.
