**GOD'S GOODNESS BY MS. CHARITY KIRABO**

The goodness of the Lord is everything that God desires for us to experience, achieve or have. It is for more than His generosity towards us.

God's goodness shows up in our lives in many areas of life each day, although we often think that His goodness manifests when something good has occurred. But His goodness is also manifested in situations of groaning. Where things aren't moving on well, still He remains a good father. He is a just God. Even if we offend Him, He still shows us mercy and love. In Mathew 5:45, Our God causes the sun to rise and sends rains on all the righteous and the unrighteous.

Qn:Has God been really good to you/us?

I know and believe that God has been good to us, our families, your family, ministry, work, in your life and in many situations, His hand has shielded us all.

Qn:How do we come to know about the Sovereign's goodness?

1. Having confidence and trust in Him that in all situations, whether good or bad, He is Lord, He still tells us that He is our shepherd. For example in Psalms 23: 1-6, "The Lord is my shepherd, I lack nothing. He makes me lie down in green pastures..."

In the storm where David was, He still saw God's hand in everything. That's to say in vs.4. "Even though I walk through the darkest valley. I will fear no evil, for you are with me ..." God's always with us in all areas of life, His goodness shall always follow us because He loves us so much.

2.Giving us second chance, many people whether believers or not, have been given back their lives; In a way that some get ill, and God doesn't allow death to consume them, some survive accidents, some survive in labour while giving birth and in many areas of life. But God still says, I still love you, get well and be free indeed.

3.God's goodness is seen through raising our children, seeing them grow, providing what one can, at workplaces, in marriages, sickness still God is there if we trust in Him that He can do.

A lot might be figured out about God's goodness, but purposely, look into your life journey and think about His goodness and be grateful, give Him praise and thanksgiving.
